How to Block & Unblock someone from your Housemate Finder profile

1. First navigate to your Friends page by clicking Friends

Profile Friends	Groups 1	Messages	Notifications 1	Membership	Settings		
Friendships	Requests						
						Last Active	~

2. Then find the friend you wish to block

3. Next select the Block feature

4. Once you select Block, you will receive a notice indicating that person has been blocked and they will no longer show up in your friendship portfolio.

Profile Friends	r successfully blocked. Groups T Messages Notifications 1 Me	mbership Settings
Friendships	Requests	

5. If you choose to unblock this person, from your profile page, choose settings. Then click on Unblock. The friend will once again appear in your friend list.
