How to change your profile photo for Housemate Finder

1. In order to change your profile photo, hover the mouse over the current image and you will see a camera icon and the text 'Change Profile Photo'. Click on the camera icon.

2. The next screen will give you the option to drag and drop a photo on the page or click on the button to select the photo from a folder on your computer.

3. A browser window will open for you to find the folder and select it. Click on the photo and then click open.
